Send the Musa Family back Home to Nigeria - WITH their Children!

Background (Preamble):

In April 2010, five Musa children were taken by Haringey Council under completely false allegations such as the mother being a sex worker and the children being from different fathers.

DNA tests took unduly long and proved the contrary, but Haringey Council was adamant about inventing more reasons for keeping the children away from their parents.

[The website](#) shows clearly what a happy family they were before they met Haringey Council. But their sixth child was taken by nine police officers at birth. Since the oldest daughter reported being "inappropriately touched", she has not been seen or heard by either parents or siblings.

[Does this family have human rights?](#) asks Christopher Booker in The Telegraph: "A council whistleblower has said that, at a recent case conference, the social workers admitted that maybe they had made a mistake, and that the mother they had falsely accused was in fact devoted and blameless. But apparently, because of “press interest” in the case, the officials agreed that the council could not afford the very damaging publicity which might follow if the unhappy children were reunited with their parents. It was therefore vital that the council should continue to justify its actions."

This is [one of 10 articles about the Musa Family](#) by Christopher Booker.

Unfortunately, their case of child snatching is only one of many, as Christopher Booker writes regularly: [Britain's forced adoptions: the hidden scandal we can't ignore.](#)

Hence our petition that [The Secrecy of Family Courts should be Lifted NOW](#) and [We will Boycott the Olympics to Stop Child Snatching in the UK.](#)

The news release [Cash for Kids - especially Cute Nigerians](#) was published on 21 August 2011 to present their case, albeit perceived to be the worst of all known cases, as part of a larger picture.

1. God's Rights vs Human's Rights

25. Only God has the right to separate a family created with His help and by His will. As in marriage, so in life - what God has joined together, let no man put asunder. Children have the right to leave their home when they choose, with their parents' blessing, but no bureaucrat has the right to tear them away from that home before the time of their choice.

2. Human rights are Universal

23. Signing for a Human cause ...

42. Article 13 of the Universal Declaration of Human Rights of the UN says Article 13. (1) Everyone has the right to freedom of movement and residence within the borders of each state. (2) Everyone has the right to leave any country, including his own, and to return to his country.

26. Send this family home back to their country. This is a gross violation of their human rights in a democratic society.

30. Send this family home back to their country! This is a gross violation of their human rights in a democratic society, PLEASE .

43. The Rights of this Family has been abused and the have been treated like lepers. They need be sent to where they will be treated has normal citizens with the injustice addressed.

2.1. Justice should Prevail

46. I strongly believe that you deserve Justice

3. Social Workers are Corrupt and Criminal

1. It is such a disgrace what people do to people. But even more so, when they do it because "they are just doing their job". What kind of childhood must these "social workers" have had to be able to do what they are doing...

19. I have evidence of the corruptness of SS that has been overlooked by a Judge, and all other parties in my own case -the whole system is corrupt and needs high profile -well done in your efforts to expose this.

24. It has become apparent over the years and with certain cases involving the Social Services and children that their professionalism and judgement are being called into question far too often. We have courts that operate in secret, parents with the relevant court orders denied access to their children which has an acute damage to the child's mind and wellbeing, and the Social Services being accused of stealing children, all of which needs an independent investigation.

27. This family are and have been seriously abused by HARINGEY SOCIAL SERVICES AND THE JUDICIARY. The 'evidence' that has been put before the COURT - JUDGE GLENN BRASSE, Rosita Moise (Solicitor LBH) and JOYCE AGYEKUM HAVE ALL BEEN FABRICATED. They just want their children back so they can return home... ALL THEIR HUMAN RIGHTS HAVE BEEN VIOLATED BY THE ABOVE. I should know, I have helped them and been targeted by LBH too! LET THEM GO HOME AND HELP THEIR CHILDREN HEAL FROM THE ABUSE OF LBH.

3.1 Stealing Children is a Heinous Crime

- 12. Stop stealing children and making lame brain excuses!
- 18. We see through you and know thy evil.

3.2 Secrecy hides Criminality

- 36. Orwell's 1984 is happening. Criminals, paedophiles and money priests dressed as judges, lawyers and officers of the State. The parasites in public office conduct their murky business behind closed lodge doors. Love, truth and goodness are the greatest powers and will eventually triumph over evil. Full exposure is all that is needed - total eradication of all Secret Societies with their merry band of crooks, and with that all corruption. Reunite the Musa family. www.sharonkilby.co.uk
- 35. Secret Courts do not operate under Common Law and are therefore unlawful. Orders are not valid. Judges do not declare their Oath Of Office and so are not on duty.

3.3 This is the Worst of all Child Snatching Cases

- 15. In the 11 years that I have been following these cases, the case of Mr and Mrs Musa and their family must rank as one of the most evil and corrupt cases that I have had the misfortune to come across.

4. Support for the Petition

- 3. THE MUSAS SAY "SEND THE MUSAS BACK HOME - WITH OUR CHILDREN!"
- 4. When families from around the world come to the UK, we can only tell them please do not bring your children, unless you want to return to your own country without them. We have to stand united with the MUSA FAMILY and send them back home as a family. Until that day we will fight on together.
- 13. I am quite prepared, after what I have witnessed in the RCJ, to personally fly them all out of the UK but keeping the 'wet stuff' well on my right until we land at Lagos.
- 41. STOP HARMING AND STEALING CHILDREN. STOP THE CRIMES AGAINST HUMANITY.
- 47. Unite this Family as soon as possible!
- 39. I'm all for sending them back, I hope all their in-laws go too.

5. No wonder there are Riots!

- 38. STOP THE F@CKING COMMON PURPOSE PEDO LOVING CHILD STEALING GOVERNMENTS HELL AND FOLKS WONDER WHY THERE IS RIOTS DUH!

5.1 Say NO to Oppression!

- 29. The collusion by state agencies for nefarious means will only stop when Messrs Smith and Jones (that's you) wake up and say no and peacefully reinforce this with non-cooperation.
